

CONSENT to Personal Data Processing

1. (a) I hereby give my consent to the processing of the personal data I have provided (as well as that received from any third parties) by Carsharing Russia LLC (OGRN 1157746288083, INN 9705034527) (hereinafter referred to as the "Lessor" or "Operator"):

1.1 – full name;

1.2 – date and place of birth;

1.3 – passport details: the series and number of the passport, the name of the issuing authority, the subdivision code, and the date of issue;

1.4 – driver's license details: the series and number of the license, the name of the issuing authority, the date of issue, the expiry date of the document, and the category of the driver's license;

1.5 – registration and residence address;

1.6 – details of the certificate of registration at the place of stay: the date of issue, the name of the issuing authority (establishment), the term of registration, and the registration address (for persons who are not permanently registered in Moscow or Moscow Region);

1.7 – the number and date of the decision on approval of an RF residence permit, the issue date of the document confirming the approval of the residence permit, the expiry date of the permit, and the series and number of the said document (for foreign citizens holding RF residence permits);

1.8 – contact phone numbers (the mobile phone number registered in the name of the User);

1.9 – the e-mail address of the User;

1.10 – the data needed for the User to pay for the services provided by the Operator;

1.11 – the history of the use of the Operator's Service: the number, price, and duration of the services and other information on the services of the Service rendered to the User; information on the User's performance of the Lease Contract for a Crewless Vehicle, including statistical information on the number of offences committed by the User, citations written and paid, and road accidents in which the User was involved when using the Service; and information on third parties' services rendered to the User in connection with the use of the Operator's Service (insurance products);

1.12 – information on the User's participation in promotional events of the Operator;

1.13 – the User's photos.

The Operator may collect and process the following information that is not personal data:

- information about the Users' interests (behavioral statistics) on the Operator's website and/or in the mobile application based on the search queries entered by the Users on the Operator's website and/or in the mobile application as a result of the provision and offering of services by the Operator in order to provide relevant information to Users when using the website and/or the mobile application, as well as the summarization and analysis of information on the website / application sections that are in the greatest demand among Users;

- processing and storage of search queries of the Users on the website and/or in the mobile application in order to summarize and create client statistics on the use of website / application sections.

Carsharing Russia LLC automatically receives some types of information obtained in the process of the User's interaction with the website / mobile application. This includes such technologies and services as web protocols, cookies and web tags, as well as the applications and tools of an indicated third party.

However, web tags, cookies and other monitoring technologies do not make it possible to automatically receive the Data. If the User of a website / mobile application provides his/her Data at his/her own discretion, for example, when filling in a feedback form or sending an e-mail, then the processes of automatic collection of detailed information are launched to facilitate the use of the website and/or to improve interaction with the Users.

2. I give this Consent to personal data processing for the purposes of the conclusion and execution of a Contract with Carsharing Russia LLC (<https://delimobil.ru/docs/dogovordelimobil.pdf>) (hereinafter referred to as the "Contract"), provision of other services by the Lessor, participation in surveys or studies (including, but not limited to, the conduct of surveys or studies via electronic, telephone, and cellular communications), decision making or performance of other actions that create legal consequences with respect to me or other persons, provision of information to me about the services provided by the Lessor, and provision of consulting services by the Lessor, including for the purpose of subsequent the conclusion by the User of contracts/agreements with other

persons for the purpose of executing the Contract, and such consent shall apply to the information specified in Clause

2.11 of the Contract.

3. My personal data shall be processed by the Lessor in the amount necessary to achieve each of the above goals in the following ways: collecting, recording (including on electronic media), systematizing, accumulating, storing, drawing up lists, marking, updating (modifying, changing), extracting, using, transferring (distributing, granting, accessing), depersonalizing, blocking, removing, destroying, obtaining images by photographing, or performing any other actions with the Client's Personal Data in compliance with the effective legislation of the Russian Federation. Processing shall be carried out both with and without the use of automation tools.

4. I shall have the right to withdraw my consent to the processing of personal data by sending written notice of such withdrawal to the Rental Provider no less than three (3) months prior to the withdrawal of the consent.

5. I hereby agree and confirm that if the Lessor wishes to assign the rights under the agreements concluded with me (Clause 2.11.1 of the Contract), my consent to transfer its personal data and information about the Contract to third parties that are potential assignees in order for them to decide on the conclusion of an assignment agreement with the Lessor shall be deemed provided by me to the Lessor and such third parties. In the event of assignment of the rights under this Contract, the Lessor shall have the right not to notify me. I hereby agree not to receive any notice of assignment made by the Lessor in accordance with this clause of the Consent.

6. Personal data may be transferred to third parties only in cases provided for by the legislation of the Russian Federation or an agreement to which the User is a party, or upon the User's consent. By giving this Consent, the User confirms his/her consent to provision by Carsharing Russia LLC of the User's personal data to the partners and bodies mentioned below, and gives his/her consent to processing by the said partners (bodies) of the data subject's personal data in the amounts, in the manner and within the time periods specified in this consent, but no more than is required to enforce the Contract specified in Clause 1 hereof:
